

BLOOD DONOR ON LINE

Digitalisieren Sie die Fragebögen vor
der Blutspende

Mission & Vorteile:

- Vereinfachung des Spende-Prozesses
- Verbesserung von Sicherheit und Rückverfolgbarkeit
- Abschaffung von Papierdokumenten
- Mehrsprachig und anpassbar

Spende- Workflow

1. Der Spender füllt den Fragebogen von zu Hause oder vor Ort aus
2. Erzeugung eines QR-Codes für eine schnelle Registrierung
3. Elektronische Signatur durch den Spender

Konnektivität & Monitoring

- Synchronisation mit EdgeBlood
- Echtzeit-Überwachung der Warteschlange
- Überprüfung der Spendefähigkeit vor dem ärztlichen Gespräch

Ärzte- & Verwaltungsoberfläche

- Prüfung und Bearbeitung des Fragebogens durch den Arzt
- Gemeinsame Signatur von Arzt und Spender
- Verwaltung der Vitalparameter und Scannen der Blutbeutel
- Sichere PDF-Archivierung oder Löschung je nach Konfiguration

The screenshot shows a digital questionnaire interface. At the top, there is a navigation bar with a red button labeled 'RETOUR' on the left, the title 'Questionnaire du 21/10/2024 à 12:15' in the center, and a dark blue button labeled 'MODIFIER LE QUESTIONNAIRE' on the right. Below the navigation bar, the main content area has a light gray background. A white box at the top contains the title 'Questionnaire du 21/10/2024 à 12:15', the patient name 'Patient : Jeanne Austein', and the text 'Effectué par:'. To the right of this box is a purple button labeled 'DENIED'. Below this box, there is a section titled 'Récapitulatif du questionnaire' with three colored buttons: 'Drug Residues' (yellow), 'Tobacco' (orange), and 'Pregnant' (purple). The next section is 'DONOR INFORMATION' with the instruction 'Proof of identity by presenting a valid, secure photo ID'. Below this, there are three input fields: 'No', 'Height:[cm]' with the value '182', and 'Weight:[kg]' with the value '69'. The following section is 'Questions about your general health - Part 2' with three numbered questions: 10. 'Will you perform any professional or hobby activities in the next 12 hours that could endanger you or others (e.g., transporting people, activities with a risk of falling, or significant physical exertion)?', 11. 'For regular donors only: Have you donated elsewhere or been turned away since your last donation with us?', and 12. 'For women only: Are you pregnant or breastfeeding?'. Below these questions are two more input fields: 'Yes' and '13. For women only: Have you ever been pregnant? If yes, when was the last time?'. The final section is 'Questions about possible drug residues in the blood' with question 36: 'Have you taken any tablets or medication in the last 4 weeks, such as antibiotics, painkillers (including aspirin), medication for high blood pressure, or others? If yes, which ones?'. A blue vertical bar is visible on the left side of the interface.

Operative Vorteile

- Unterstützte Dateneingabe auf PC, Tablet oder Smartphone
- Klarer Workflow und vollständige Rückverfolgbarkeit
- Mehrsprachige Lösung: FR / EN / DE
- Reduzierung des Papierverbrauchs und vereinfachte Administration

A photograph of two people from the waist up, holding hands. The person on the left is wearing a red long-sleeved shirt, and the person on the right is wearing a white long-sleeved shirt. Both have a white bandage with a pink heart on their forearms. Their hands are joined at the fingers, forming a heart shape. A semi-transparent white rounded rectangle is overlaid on the center of the image, containing text.
